MADE FOR THE MOMENT.

The furniture inside an RV shapes how the entire interior is experienced. Solace brings together refined styling, enduring comfort and RV-specific construction to help manufacturers create spaces that feel considered, inviting and ready for the road.

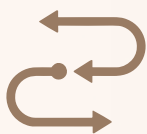

RV-SPECIFIC DESIGN

Developed around coach interiors, slide-outs, limited space and real travel use.

COMFORT THAT HOLDS UP

Supportive cushioning and durable construction help preserve comfort mile after mile.

FLEXIBLE BY NATURE

Multiple seating formats, configurations and finishes support a wide range of interior programs.

SUPPORT BEHIND EVERY SEAT

Knowledgeable people provide responsive assistance from product selection through integration.

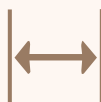

PERSONAL SEATING

EURO CHAIR

COMPACT COMFORT. FULL-SCALE IMPACT.

With a 28-inch width, smooth swivel and multi-position recline, the Euro Chair gives compact interiors a more complete place to settle in.

28-INCH WIDTH

Fits space-conscious floorplans.

360° SWIVEL

Moves naturally with the interior.

MULTI-POSITION RECLINE

Supports sitting, reading and relaxing.

WALL HUGGER INDIVIDUAL RECLINER

MORE RECLINE. LESS ROOM REQUIRED.

Powered positioning and wall-hugging movement bring personal comfort into floorplans where every inch must earn its place.

WALL- HUGGING MOTION

Preserves valuable rear clearance.

POWERED COMFORT

Adjusts smoothly at the touch of a button.

MODULAR CONSTRUCTION

Supports straightforward OEM integration.

ENTERTAINMENT SEATING

MANUAL ENTERTAINMENT THEATER SEAT

RELAXATION, WITHOUT THE COMPLEXITY.

Supportive cushioning, straightforward manual recline and modular construction create an inviting entertainment experience without unnecessary operational complexity.

MANUAL RECLINE

Simple, intuitive positioning.

LAYERED SUPPORT

Pocket coils and high-density foam provide lasting comfort.

OPTIONAL ENHANCEMENTS

Accessories can add storage, heat, massage or lighting.

MODULAR WALL HUGGER

COMFORT THAT FITS THE FLOORPLAN.

Combine powered wall-hugger seating with multiple console formats to create an entertainment arrangement tailored to the floorplan.

MODULAR FLEXIBILITY

Configure seating and consoles around the layout.

SPACE-SMART RECLINE

Delivers relaxation without demanding added wall clearance.

CONNECTED CONVENIENCE

Storage, cupholders, phone trays and USB/USB-C ports.

Multiple seating and console configurations available.

RELAXATION, WITHOUT THE COMPLEXITY.

Supportive cushioning, straightforward manual recline and modular construction create an inviting entertainment experience without unnecessary operational complexity.

EZ OUT SLEEPER

Adds a generous sleeping surface when the day winds down.

ARMLESS RECLINER

Creates a comfortable center seat without interrupting the flow of the configuration.

MANUAL RECLINER

Provides an additional place to sit back and settle in.

SEATING MODE

ARMLESS RECLINING MODE

DOUBLE RECLINING MODE

SLEEPING MODE

More seating. More sleeping. More living built into the floorplan.

PREMIUM SLEEPER SOLUTIONS

EZ OUT SLEEPER SOFA

PULL OUT MORE POSSIBILITIES.

A smooth, one-motion design transforms the EZ Out from refined seating into a generous sleep surface without turning bedtime into a wrestling match.

ONE-MOTION CONVERSION

Moves quickly from sofa to sleeper.

SLIM PROFILE

Makes more efficient use of the floorplan.

ENGINEERED FOR EASY FIT

Designed to move through narrow RV doors and passageways.

POWER SLEEPER SOFA

PUT THE DAY TO BED.

Powered operation turns an elegant sofa into a full-length sleeping surface with minimal effort and maximum impact.

POWERED TRANSFORMATION

Converts at the touch of a control.

FULL-LENGTH SLEEPING

Creates a more complete overnight experience.

PREMIUM DUAL-PURPOSE DESIGN

Balances refined seating with effortless sleeping flexibility.

VERSATILE SLEEPER COLLECTION

TRILUXE SLEEPER SOFA

BEAUTIFULLY SEATED. FULLY RESTED.

TriLuxe is designed to deliver comfort in both directions: supportive sofa seating by day and a spacious sleeping surface when the night begins.

EASY TRANSFORMATION

Folds from sofa to sleeper in a few straightforward steps.

SLEEPS TWO

Creates a generous surface for overnight guests.

MULTIPLE WIDTHS

Available in 60", 68" and 78" configurations.

BI-FOLD SLEEPER SOFA

SMARTER FIT FOR TIGHTER PLANS.

True-sofa styling and limited extension make the Bi-Fold a natural fit around islands, tables and compact circulation areas.

20–25" Extension | Dual-Purpose Comfort
68" Width

JACKKNIFE SOFA WITH ARMS

QUICK-CONVERT FLEXIBILITY.

A supportive sofa that folds down in seconds to add sleeping capacity without adding another furniture footprint.

Fold-Down Operation | Integrated Arms
Modular Installation
